CMP NEWSLETTER
JULY TO OCTOBER
2022-23

PRINCIPAL DESK

Primary education lays the foundation of the physical, intellectual and emotional growth of the children. Common Minimum Programme enables us to bring qualitative improvement and development in the teaching learning process. Children participate in activities which inculcates an interest toward learning in them. Learning becomes more interesting and joyful for children with the use of ICT. Audio- Visual modules , pictures and toys facilitate effective learning among children. The newsletter is an assemblage of all the activities conducted under CMP.
